FOREWORD

We, the staff of THE 1959 HARVESTER, feel that this annual represents the over-all picture of our school activities, both curricular and extracurricular. We feel that this annual is a tribute to our school. We are therefore both humble and appreciative of the opportunities provided for us by our parents and the community - opportunities that those before us did not enjoy. Throughout this edition we have tried to present the opportunities offered us by education.

DEDICATION

In recognition of their complete understanding of students and their problems, their excellent executive ability and their rare sense of humor, the staff of THE 1959 HARVESTER dedicates this book to Mr. M. J. Leonard, principal of Liberty High School, and Mr. Gerald Barber, superintendent of the Liberty Independent School District.

SPECIAL EVENTS

I am the essence of friendship.

I flourish in the lives of youth everywhere.

I am the force that promotes happiness.

I am the driving force that unites a group in
cheerful activities and also in toilsome duties.

I am the spirit of friendship that mingles with
the happy chatter at lunch rush and compels
tears at graduation.

Through me, people are joined together and
opportunities present themselves in a field
that otherwise would never have been opened.

SPECIAL EVENT

Lights out for
1959, Major.

A dark, moody photograph of a room. On the left, a window with multiple panes looks out onto a bright, overexposed outdoor scene. The room's interior is mostly in shadow, showing a wooden floor in the foreground and a dark wall or door in the background. The overall tone is somber and contemplative.

ADMINISTRATION

I am the backbone of the school.

Its strength or weakness depends on me.

I see the wild ecstasy of expectations cross the
hopeful faces of our youth.

I've seen the knock of opportunity anticipated
and answered; anticipated and overlooked.

I not only try to teach English and math but
also high ideals, standards and morals.

I advocate the theory - Higher education opens
the gates of opportunity wider.

I, the administration, will not live on forever
the same, but opportunity for youth will
never fade.

Dear Students:

The present time is preparation for the future. You are shaping your destiny every day of your life. Things that you may consider unimportant today will take on a great significance as you grow older. It is the earnest desire of every staff member of Liberty High School that every student be eminently successful and happy in the future.

Make the most of every opportunity that comes your way. Some one once said, "Great opportunities come to all, but many do not know when they have met them." The only way to be sure that you do not miss your one big opportunity is to take full advantage of them all.

Sincerely,

W. G. Barber

STUDENTS OF L. H. S. :

The reason some people do not recognize opportunity is because it is usually disguised as a hard job.

Education should enable one not only to recognize and utilize opportunities but to create them.

Sincerely,

W. J. Harlan

Assistant Superintendent

TO THE SENIOR CLASS OF 1959:

My best wishes go to you on completion of four years of high school work and your entrance into the world of personal responsibilities. Your ability to shoulder these responsibilities and to make necessary adjustments is the measure of your education. You have done a splendid job of your high school training, and Liberty High is proud of you.

Sincerely,

M. J. Leonard, Principal

VARSITY REVIEW

Those greater-than-ever Liberty Panthers rolled through their season to win the district championship for the third consecutive year and to become semi-finalists in the state playoffs.

The Panthers did not achieve their outstanding record by luck; it took many hours of hard and diligent practice. This resulted in the best record ever held by any of the previous Liberty High School teams.

In the first game of the season, the Liberty Panthers started their season play by holding the Deer Park Deer in rein to the tune of 13-0.

Liberty showed a decisive lull in their season's activities as they slipped by the LaPorte Bulldogs 6-0.

The Liberty Panthers broke their habit of scoring only in the last quarter by taking the Jasper Bulldog

kickoff and moving the ball 69 yards in 18 plays for the first touchdown. Before the game was over, the Panthers had marred the Bulldogs' perfect record as they collared the 'dogs 15-0.

Stunned by their slight victory over LaPorte, the Panthers rallied with powerful line plays and long runs to chalk up a 39-8 victory over the Clear Creek Wildcats.

The Panthers suffered their first loss of the season as the Alvin Yellow Jackets upset them 20-0.

The Panthers took the first step toward the District 22 AA championship as they battled the Cleveland Indians 16-6 in the district opener. They piled up a 44-12 score against the Woodville Eagles, their second district opponent, before Liberty's homecoming crowd.

PANTHERS, HATS OFF TO YOU

MANAGERS

Billy Greak, Richard Harris, Richard Roome, Eddie Pyle.

The Panthers surprised many area sports writers by stumping Silsbee's Tigers 14-0 on the Tigers' home ground.

Cinching the District crown, the Panthers overran the Livingston Lions 60-0.

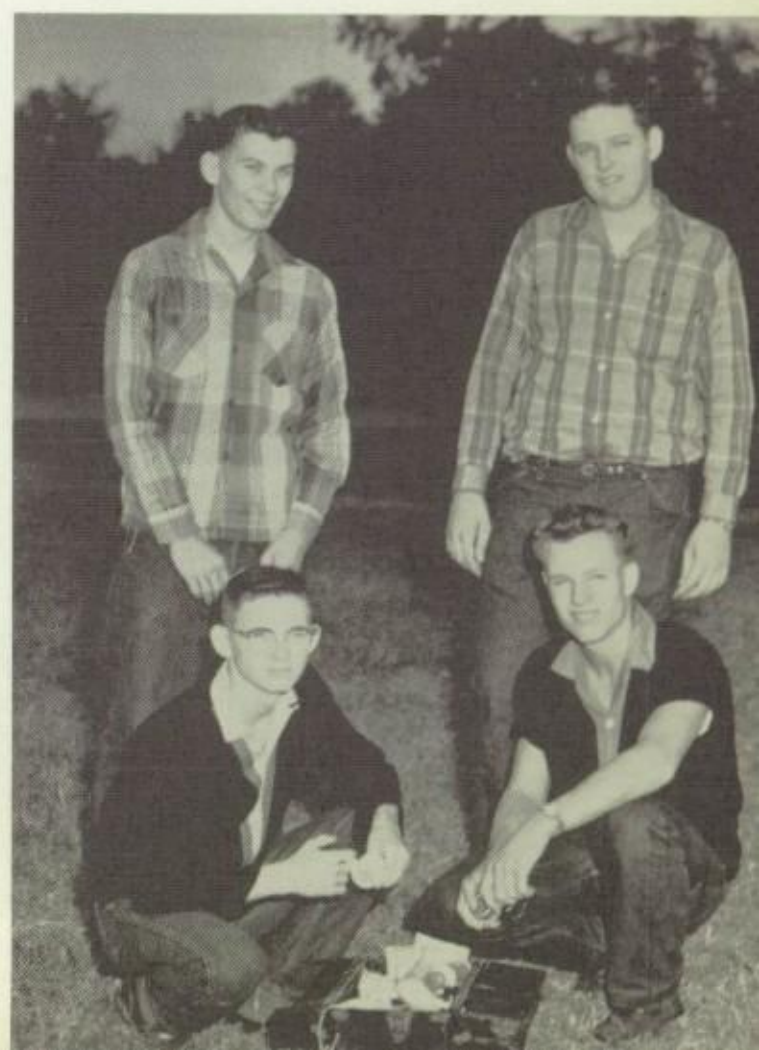

Rushing over the Dayton Bronchos with a score of 20-0, the Panthers closed their last game of 22 AA play.

With a score of 40-8, the Panthers bolted over the A and M Consolidated Tigers to become bi-district champs after being denied the honor for two consecutive seasons.

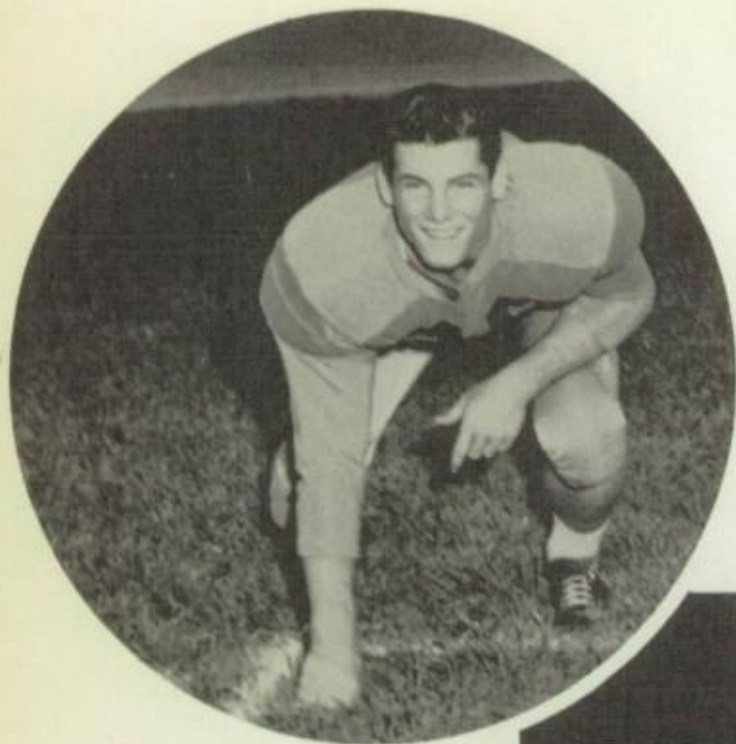

When the whistle blew to end the last quarter of the regional game, the Panthers had earned the right to play Brady in the quarter-finals by beating Port Acres 14-6.

Although Brady was off to a flying start in the opening minutes of the game at Kyle Field, the Panthers returned home with a glorious 16-8 victory.

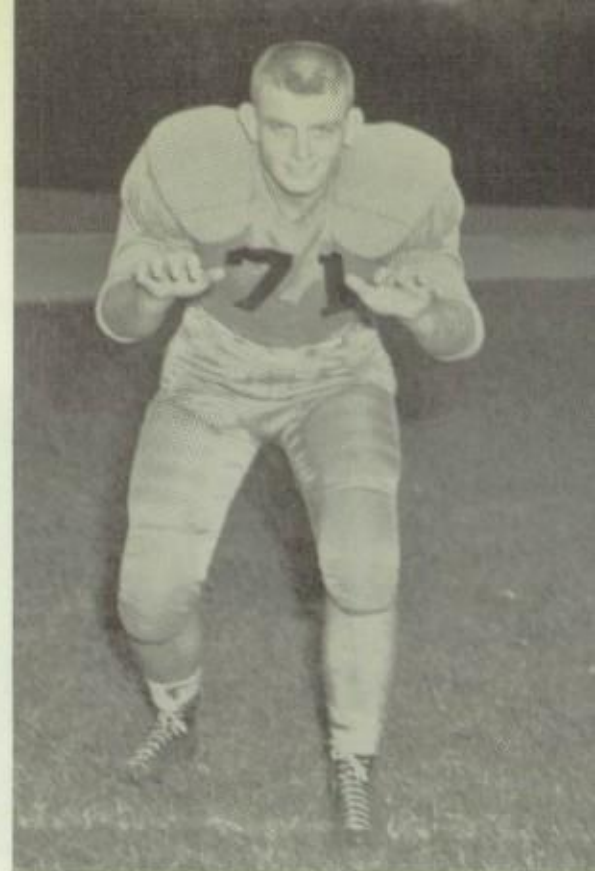

The Angleton Wildcats shattered the Panthers' hopes of being state champs when they won the semi-final game 34-8.

PANTHER REVIEW

Panther cindermen completed one of their best seasons seen around Liberty in many years. Liberty bagged the Clear Creek Relays, Trinity Valley Relays, the District Meet, Regional Meet and ranked third in the State Meet.

They won second in the Broncho Relays, being beaten by Wharton, who later won first in the State Meet; copped third at the Purnell Meet, again being beaten by Wharton; tied for first with AAAA Reagan of Houston at the Purple Relays; and got a fourth place at the Black Cat Relays.

At the district meet they took ten out of fourteen events and nabbed the top two or three slots in many events.

Liberty also won the Regional Meet in Brenham.

Liberty sent seven boys to the State Meet in Austin where the team placed third. Butch Hunt, Charles Burk, John Collins, Stevie McGrath, David Maxwell and Don Maxwell qualified for the meet while Bobby Copeland went as an alternate.

JUNIOR HIGH

ACTIVITIES AND SPORTS

I am the spirit of interest.

I have seen students sad and dejected after losing
the big game; how many bands and pep clubs
have marched down the turf as I looked on.

I work together with young people urging them to
strive for victory in sports and activities.

I am the force that causes youth to ever drive
forward in all that they do.

Through me, the opportunity for better living is
opened by learning to work together with
other youth.

ELECTIVES FURTHER

The Student Council, which governs the Student Body, is made up of representatives from each class.

Advanced Math is helpful to these boys in choosing a profession. They learn how to solve algebraic equations and use a slide rule.

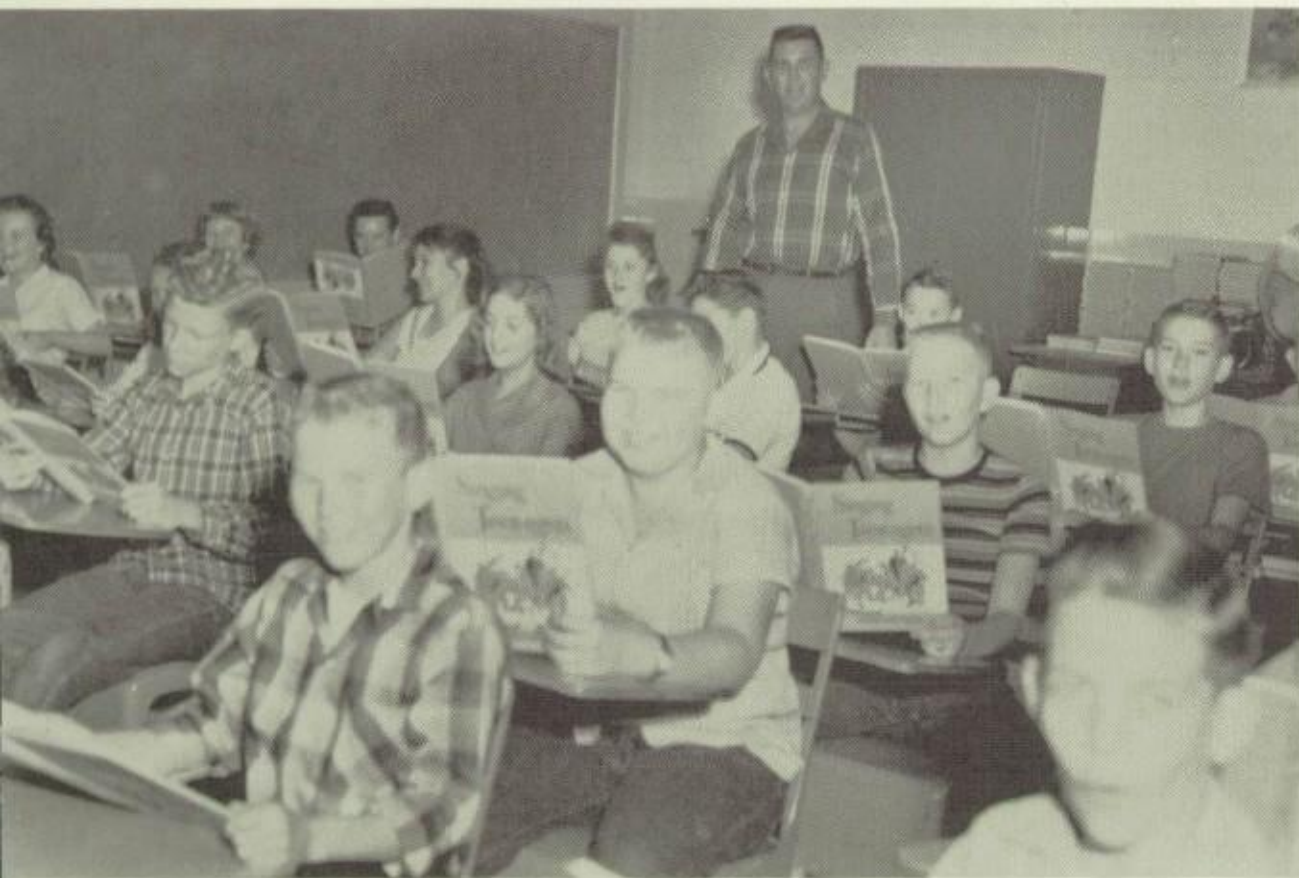

In Homemaking these girls are learning the first steps in developing coordination.

This group of Fire Marshals teaches the proper procedure in case of fire.

OUR INTEREST

The Speech Club highlighted their year by presenting three outstanding one-act plays.

The Choral Club gives a better understanding of music.

In Spanish we learn to converse with our near neighbors.

ADMINISTRATION

I am the backbone of the school.

Its strength or weakness depends on me.

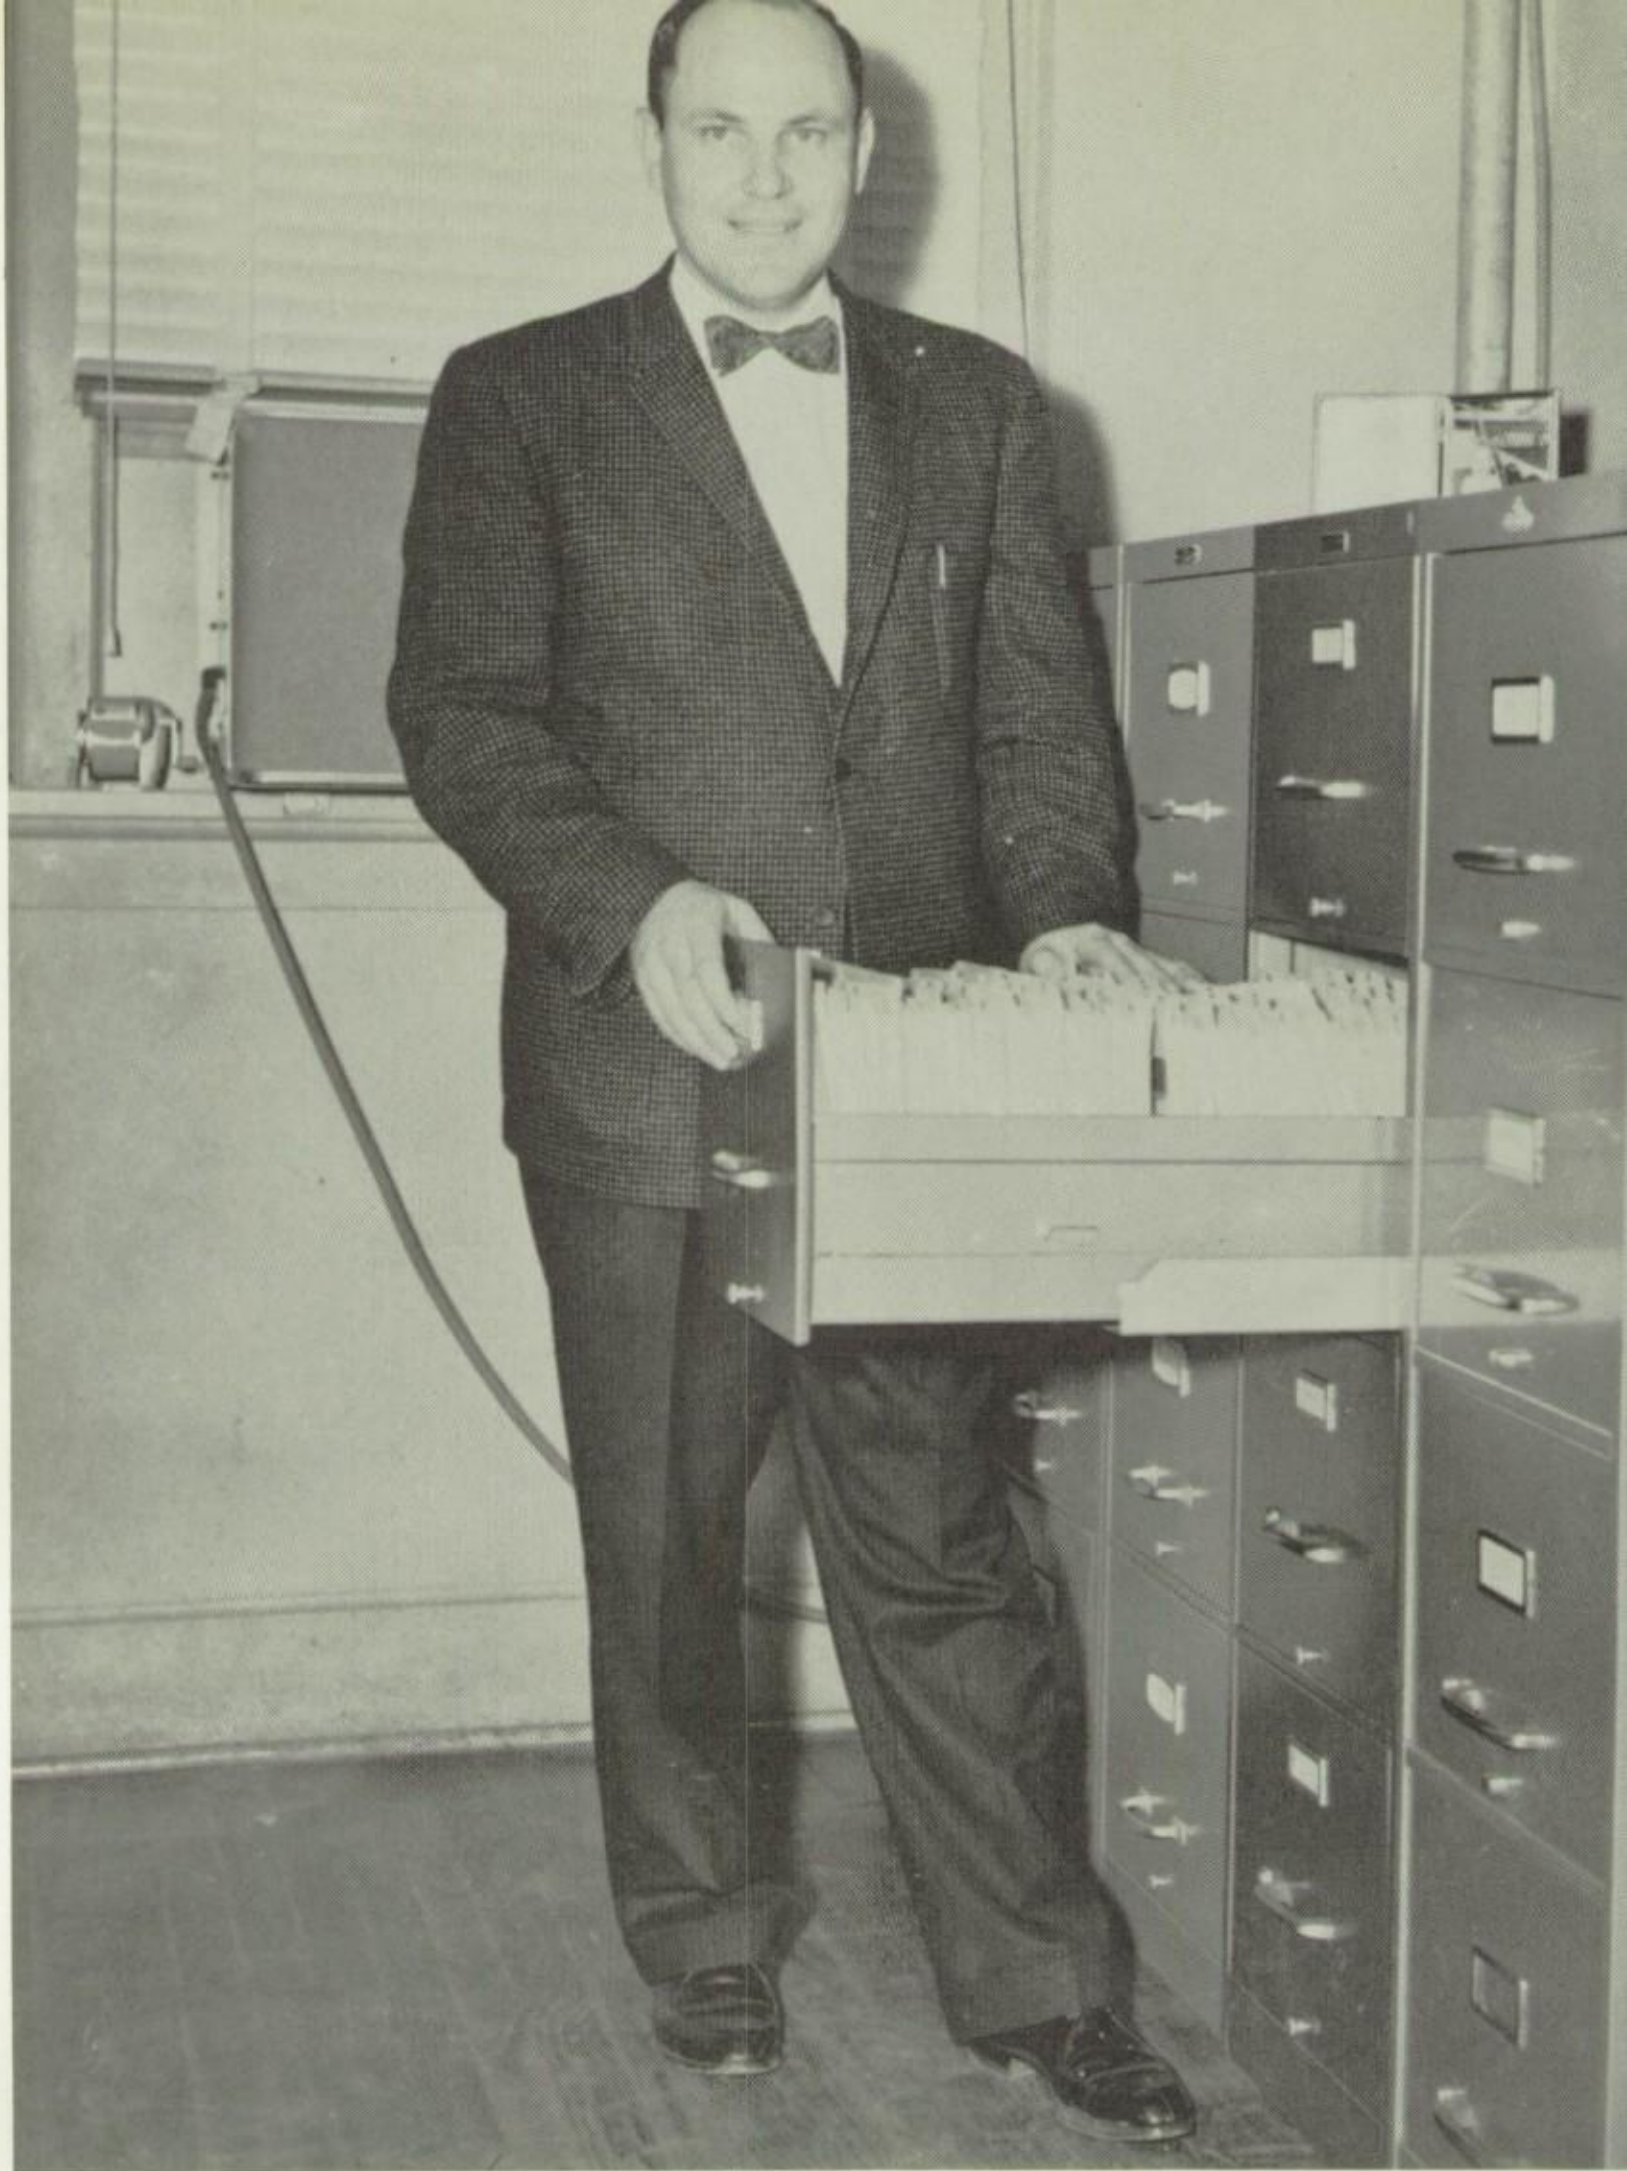

I see the wild ecstasy of expectations cross the
hopeful faces of our youth.

I've seen the knock of opportunity anticipated
and answered; anticipated and overlooked.

I not only try to teach English and math but also
high ideals, standards and morals.

I advocate the theory - Higher education opens
the gates of opportunity wider.

I, the administration, will not live on forever
the same, but opportunity for youth will never
fade.

Dear Students:

Benjamin Franklin once said, "I will prepare myself; and when the opportunity comes, I will be ready." It has also been said that opportunity knocks but once. Lincoln was a great man because he took advantage of every opportunity offered him, therefore gaining success. Edison was a benefactor of mankind because he, too, took advantage of his boyhood opportunities. If we are to be great, we too must take advantage of each and every opportunity that may come our way.

Sincerely,

George H. Nail

George H. Nail, Principal

LEST WE FORGET
E. L. PETERSON

HE IS NOT DEAD

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you--oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same, I say,
He is not dead--he is just away.

ALBUM

I am the life of Junior High.

I am the spirit that makes or breaks a school.

Within me there are hundreds of souls and minds
combined to form one complete unit.

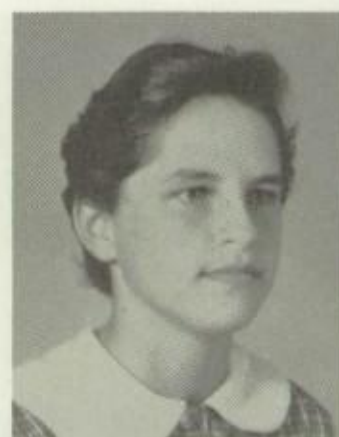

I have known the zest and excitement and also
the heartaches and heartbreaks of growing up.

I have grasped for opportunity and failed; grasped
and accomplished.

Nobody believes it!

ADVERTISEMENTS

I am the town.

My people have built me from a Spanish outpost

to a thriving city. I hold many memories in

my soul of strength and weakness, growth

and destruction, of hope and despair, laughter

and tears of all the emotions that hold the

people who are my throbbing, living heart.

I have seen human lives begin, develop and

peacefully end. I have seen the exhilaration

of the youngsters who have within my reach

as they leave my arms with rapidly beating

hearts. I have seen these same youngsters

return happily to my protective, comforting

haven. I am the city and these are my

people.
